

Thank You USA Today for naming us one of  
**AMERICA'S TOP 50 ICE  
 CREAM PARLORS!**

In the Friday August 27th edition of USA Today newspaper an article on the nation's leading Ice Cream Parlors chose our Old Country Store's 1890's Ice Cream Parlor as one of the Top 50 most popular in the United States.

Since 1965 we've been making memories for millions of families and deeply appreciate this national recognition. With our very rare and beautiful 1890's Soda Fountain as the centerpiece we feature the best Old Fashioned Sodas, Shakes, Sundaes, Floats, and Banana Splits anywhere around. Our homemade pies and handmade fudge are just as popular.

If you've not been out lately, come and see why USA Today named us one of America's best.

**GET THE BEST OF BOTH WORLDS!**
